

COGNITIVE NEUROSCIENCE AT
THE COGNITION AND BRAIN SCIENCES UNIT

October 2013

PhD Positions

WHAT WE OFFER

- 3 year PhD positions in Cognitive Neuroscience
- Full College and University of Cambridge membership
- Fully funded MRC studentships
- Independently funded applications also welcomed
- In-house MEG, fMRI and EEG facilities
- Purpose-built behavioural testing laboratories
- Panels of both clinical and non-clinical research volunteers
- Superb computing, administrative and technical support

RESEARCH AREAS

Emotion, Face processing, Clinical applications
(Andy Calder, Tim Dalgleish, Emily Holmes)

Executive Processes, Attention, Cognitive development
(Duncan Astle, Tristan Bekinschtein, John Duncan,
Susan Gathercole, Joni Holmes, Tom Manly, James Rowe)

Memory and Perception (Mike Anderson, Rik Henson,
Niko Kriegeskorte, Dennis Norris)

Methods (Olaf Hauk)

Speech, Language, Hearing (Bob Carlyon, Matt Davis,
John Deeks, Yury Shtyrov)

Application information and
further details on our research
can be found by visiting our website at:

www.mrc-cbu.cam.ac.uk

Closing date for applications:

1st December 2012
